President's Corner

I hope that everyone is well and staying safe. The club has been closed for almost 3 months, everyone's life is different, words we never thought we would say are now a part of our everyday life; we practice social distancing, wear masks and spend more time at our house. In talking to folks, many have been spending time planting vegetable gardens, tending to their flowers, sprucing up their yards and cleaning closets. I have also heard that there has been a lot of power washing of driveways and decks. Jigsaw and Crossword puzzles are still a big hit. I have not heard from the couple-playing strip Scrabble...not sure, I really want to know. As the weather gets better remember to spend some time outside in the sun, soaking up some good old vitamin D. Don't forget to drink plenty of water.

I really like to say "see you at the club", but not sure when that will happen.

So, for now take care, and
Happy Father's Day
to all the dads!

Beth
