CONCORSO GALILEO CAR SHOW

The 3rd annual Concorso Galileo was a great success. We couldn't have asked for better weather. We showcased 40 vehicles this year, which is about 10 more than last year. The event was widely attended by many of our members, friends and neighbors. Our two big trophies were awarded to Anthony Padilla, 'Best in Show' for his 1948 Chevy Fleetmaster Convertible and to Chewy, 'Goggles Paisano People's Choice Award' for his 1953 Chevy Pickup.

Grazie Mille for all our sponsors, participants and for the following members who volunteered their time and resources to make this year's car show even better!
